Reference for **Barbara Gwózdź**

I have the pleasure to present the following recommendation for **Barbara Gwózdź** who has worked under my supervision in **Global Talent Development** Department from **1st of July to 30th of September** as a part of AmRest Global Internship Program.

During her internship at AmRest, she was familiarize with our company's work environment, culture, values and best-practices. She learned how to effectively solve problems, cooperate with others and apply learned theoretical knowledge into practice.

The main tasks assigned to Barbara included:

- **Platform and Tool Management**
 - Uploading checklists to the Learning Management System (LMS)
 - Reviewing translations in the Individual Development Plan (IDP) and Feedback modules
- **Data Collection and Reporting**
 - Gathering data and preparing basic reports after Organizational Talent Review processes
- **Content Creation and Editing**
 - Developing training materials to support the implementation of the Individual Development Plan module
- **Research and Benchmarking**
 - Exploring best practices and generating ideas for talent review processes used in other organizations
- **Manual Preparation**
 - Creating user guides and training materials for the Feedback module in SyncPeople
- **Presentation Development**
 - Designing a PowerPoint presentation focused on effective presentation skills

During the internship **Barbara** has acquired following skills:

- Data analysis
- Communication skills
- Collaboration and teamwork
- Designing presentations
- Attention to details

Barbara is an open-minded and communicative person. She is dedicated to achieve all assigned task on time and in accordance with the instructions she received. Aside from that, she has a good relationship with her colleagues and supervisor.

I highly recommend Barbara as the employee and I am sure the she will be a great asset to the company she will join. I wish her all the best in her future development.

Yours sincerely,

Aleksandra Brust

CORPORATE TRAINING AND DEVELOPMENT MANAGER
